

INDIANA PAINT HORSE CLUB SPONSORSHIP LEVELS

The Indiana Paint Horse Club would like to introduce itself and welcome you to an organization having roots spanning decades that influence the youth of our great State. The Indiana Paint Horse Club (INPHC), a non-for-profit entity, is a chapter of the American Paint Horse Association (APHA). We take great pride in teaching our youth the benefits of hard work and dedication, which will one day help them become responsible and active adults in our communities.

The INPHC hosts events that allow both youth and adults to display their equine talents. We are reaching out to active members in our communities for donations to bolster our club and support our next generation of riders. Our goals are to offer scholarships to our youth, grow our youth program, and increase the awareness and activities in our equine events throughout the state of Indiana.

Your donation would be greatly appreciated and will help us turn our goals into reality. Donations are tax deductible and proceeds will benefit our youth program and equine events.
